## AACA Military Sponsorship Program

invites retired military members to become National AACA members

**The Antique Automobile Club of America (AACA), a 501(c)(3) nonprofit corporation, is America's premiere resource for the collectible vehicle community!**

Since its inception there has been something about the sight, sound, and feel of the automobile that stirs the imagination and the desire to experience the freedom of the open road. Whether it's the clatter of the single cylinder brass era car or the heavy thumping of big block Detroit muscle cars that fuels the addiction, we are all kindred spirits. Vintage cars, trucks, buses, and motorcycles are our bond.

Since 1935, AACA has had one goal: The preservation and enjoyment of automotive history of all types. From National Meets and Tours to Regional events, AACA is here to bring enthusiasts together through exciting national activities, friendship, and Antique Automobile... an award winning 100-page full color magazine.

Membership in AACA is open to all individuals who have a genuine interest in the antique automobile hobby. Ownership of an automobile is not a prerequisite of membership. We also offer special student and life membership opportunities.

Throughout your military career, you have undoubtedly been tested and proven numerous times, yet you remained devoted and committed to your passionate service to our country. AACA understands passion; we are passionate about vehicles. And, like the military, AACA has stood the test of time.

**To honor your military career, AACA is extending a limited number of complimentary one-year memberships for first-time applicants.**

You don't have to own a vehicle or know how to turn a wrench. You can be involved at any level you wish. Whether it's joining our judging teams, doing research in our vast library, or taking the family through the excitement of a National Meet or Tour, the possibilities are endless. Also make sure you visit the world class AACA Museum in Hershey, PA the "sweetest city on earth."
